Montana BPA Trading Pin Order Form
for the 2012 National Leadership Conference

Thanks to the creative talents of Culbertson BPA member Allie Crowder, the Montana Association has another one-of-a-kind original design trading pin for the 2012 National Leadership Conference in Chicago, Illinois.

With this year's "Unmask Your Future" blinky, the Montana delegation will surely *Reach New Heights* at the 2012 NLC with our flashy design and **two blinking lights**.

Be part of the fun at NLC—Order your Trading Pins TODAY!

Trading pins are sold on a first-come, first-served basis. Please remember, only a certain number of pins are ordered and once the last pin has been sold, they are gone. To ensure delivery before you leave for Chicago, the **deadline to order is Friday, April 6, 2012.**

Should the demand for 2012 trading pins exceed supply, the remaining 2011 trading pins will be used to fill orders.

Please note, when using the Trading Pin order form, payment must be received with the form or else your order will not processed and your requested pins will be used to fill other orders until full payment is received.

Trading pin orders made online when registering for the state leadership conference will be included in your registration materials when you arrive at the state conference.

Additional trading pins will be available for purchase at state and at nationals (availability permitting) for **\$2.25 each**.
